

# 'Octagon in square' Block of the month November 2018

© October 2018 Heleen Pinkster Quilt Design.

The theme for 2018 is 'Octagon'.

You can sew them as a square block, but you can also just draw the pattern lines of the octagon.

The center pieces, the star, can also be used to form the star in the center of the four octagons.

For your convenience, the blocks are printed at 15 x 15 cm and printed at 10 x 10 cm. The templates at 30 x 30 cm can be combined with the block of the month from Wilma Karels.

Note: while printing the PDF, make sure to use the setting 'actual size' or 'do not scale' or '100 %'.
